Save money by joining Stanwick Lakes Membership Scheme

Stanwick Lakes is a countryside attraction and nature reserve for everyone to enjoy. There is a unique play area for toddlers and juniors and an adventure trail and assault course for the very active, in addition to the many pleasurable routes for walkers and cyclists. The visitor centre has a cafe, gift shop and conference/function room, plus a fantastic Discovery Zone and education suite. There is also the Hideaway for indoor play and birthday parties.

Stanwick Lakes is a social enterprise and one of the key ways of financially supporting the site is to charge for car parking, as in many other parks across the UK. By joining the Stanwick Lakes membership scheme your household will receive unlimited car parking access and also be able to take advantage of other members-only offers!

How much does it cost?

For an annual fee of £28 per household the membership gives unlimited car parking access during the site's opening hours. (This relates to one car per visit).

How much would I save?

If you are going to be regular visitors of Stanwick Lakes the

membership scheme will be good value for money. The cost for non-members is between £2 and £5 per visit, depending on the time of year.

What are the additional members' benefits?
